## Volunteer Form

BVF is looking for men and women veterans of all ages, from all branches, and of all eras. If you would like to help develop and participate in the Bay Area Veterans Work Shop & Learning Center please complete the following information so we can contact you.

BVF is a 501(c)(3) not-for-profit organization with the mission of "Helping Veterans Help Themselves".

Responsible for the Battery Park Renovation Project and the Michigan Gold Star Families Memorial Monument we are now working to construct a workshop with power tools, CNC machines, laser cutters, sewing machines, etc. If you know how to operate equipment, perhaps you would be willing to mentor others.

There's a lot we can do for each other and a lot we can do for the Community.

If you are not a veteran, but interested in volunteering, please complete the applicable information. Your data will not be sold or shared.

Please separate the bottom portion and send it to:
